E.2 Inspection and Acceptance by the Government

The Government will review and verify that all services and deliverables associated with an Order issued under this contract fulfill the requirements and standards stated in this contract and in the associated order.

E.3 Responsibility for Inspection and Acceptance

Inspection and acceptance of all items and services under this contract will be accomplished by the client agency's designated Client Representative (CR). The client agency's CR will inspect and be responsible for, the review and acceptance of all deliverables under the contract. Acceptance testing, if required, will be performed by the client agency's CR, or a designated representative(s), at the location(s) cited in the order. Acceptance testing, if required, will be specified in orders.

The client agency's CR shall notify the contracting office promptly after the specified date of delivery of supplies or services not received, damaged in transit, or not conforming to specifications of the order. Unless extenuating circumstances exist, the notification should be made not later than **30 days** after the specified date of delivery. The contracting office, or the activity designated by the contracting office, shall be primarily responsible for collecting debts resulting from failure of Industry partner's to properly replace, repair, or correct supplies lost, damaged, or not conforming to the contract order.
